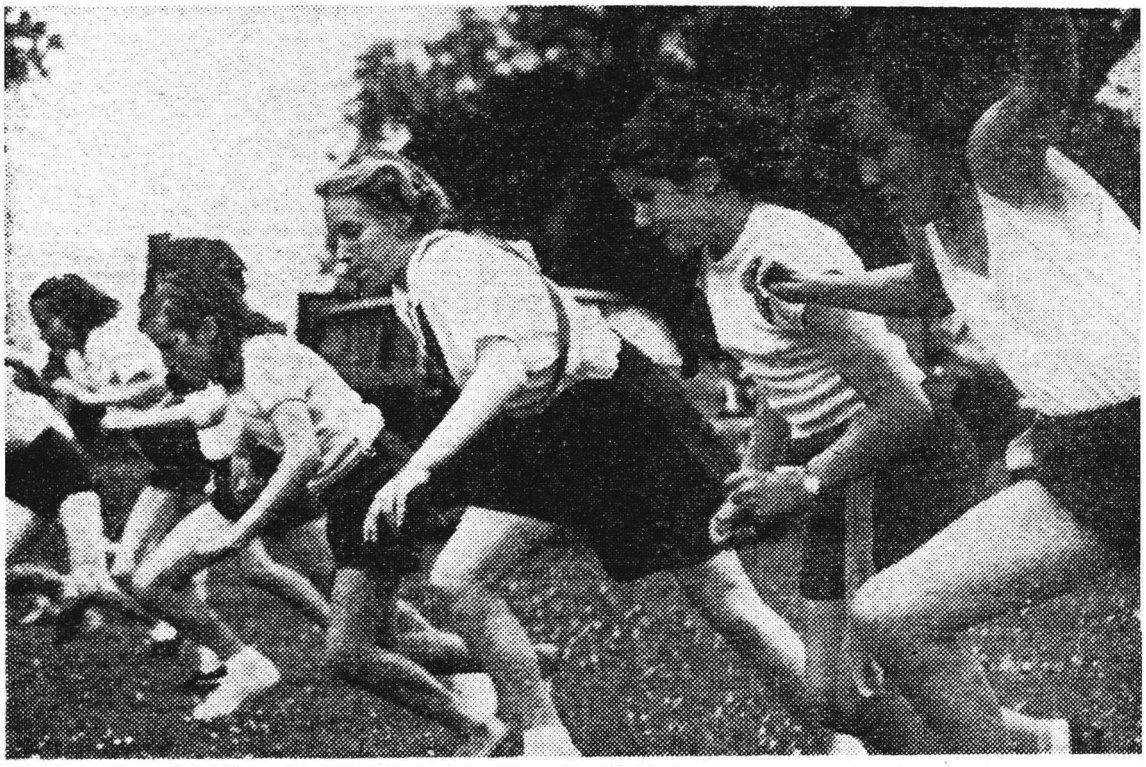
Studies in style and expression



A POSSIBLE athletic champion of the future emerged from Handcross School sports on Thursday last week She was 11-year-old Brenda Fraser, who proved to be an all-round athlete of great promise.

The sports were won by Red House with 154 points.

A feature of the afternoon was some friendly tussles between Handcross School and neighbouring Cuckfield School. Although Cuckfield came off best, there were no points recorded.

Every child in the Handcross School took part in the sports, which were held on the village recreation ground. Results:
