

There are two Ambulance schemes in the parish, both of which are worth joining. The Haywards Heath Ambulance, Mrs. H. J. Field is the Hon. Secretary, provides subscribers with the free use of the Motor Ambulance, for themselves or any member of their family under 16 years of age, to or from Haywards Heath, Cuckfield or any Brighton Hospital or Institution on the order from a Doctor. The Crawley Ambulance is available for all local and London Hospitals. 1s. a year is the subscription for either of these Ambulances. Every parishioner is asked to subscribe to the District Nursing Association as a benefit member. Honorary collectors will call at any house with full particulars.
